Beauty and Blossoms and Beasties

F Dm Gm C7
We are a people who live on a planet where
F Dm Gm C7
Beauty and blossoms and beasties abound
F Dm Gm C7
We are a people who cherish a planet where
Bb Gm C7 C
All of our needs are so easily found

Born In The U.S.A.

G
Born down in a dead man's town
The first kick I took was when I hit the ground
You end up like a dog that's been beat too much
'Til you spend half your life just coverin' up

Born in the U.S.A (4 times)

Got in a little hometown jam So they put a rifle in my hand
Sent me off to a foreign land To go and kill the yellow man

Born in the U.S.A (4 times)

Come back home to the refinery
Hiring man says, "Son if it was up to me"
Went down to see my V.A. man He said, "Son, don't you understand"

I had a brother at Khe Sanh Fighting off the Viet Cong
They're still there, he's all gone He had a woman he loved in Saigon
I got a picture of him in her arms now

Down in the shadow of the penitentiary
Out by the gas fires of the refinery
I'm ten years burning down the road
Nowhere to run ain't got nowhere to go

Born in the U.S.A (3 times)
I'm a long gone Daddy in the U.S.A. now
Born in the U.S.A (3 times)
I'm a cool rockin' Daddy in the U.S.A. now

Brave

C Am
You can be amazing you can turn a phrase into a weapon or a drug
F
You can be the outcast or be the backlash of somebody's lack of love
G C
Or you can start speaking up
Nothing's gonna hurt you the way that words do

Am
When they settle 'neath your skin kept on the inside and no sunlight
F G
Sometimes a shadow wins but I wonder what would happen if you

(chorus)

C Am F
Say what you wanna say and let the words fall out
G C
Honestly I wanna see you be brave with what you want to say
Am F G C
And let the words fall out honestly I wanna see you be brave
Am

I just wanna see you I just wanna see you
F G C (Am leading into bridge)
I just wanna see you I wanna see you be brave (repeat lsd 2 lines)

Everybody's been there, everybody's been stared down
By the enemy Fallen for the fear and done some disappearing
Bow down to the mighty But don't run, stop holding your tongue
Maybe there's a way out of the cage where you live
Maybe one of these days you can let the light in
Show me how big your brave is

(chorus)

(bridge)

Am C F
And since your history of silence won't do you any good
F Am C
Did you think it would? Let your words be anything but empty
G
Why don't you tell them the truth?

Build the Bridges

(chorus) F F Bb F
 Gonna build the bridges Take down the walls
 F F C7 C7
 Gonna Build the bridges Not the walls
 F F Bb F
 Gonna build the bridges Take down the walls

Day After Tomorrow

G C G C G D7
 I got your letter today And I miss you all so much here
 G C G C G D7
 I can't wait to see you all And I'm counting the days here
 C G Em C
 I still believe that there's gold At the end of the world
 G C G C G D G
 And I'll come home to Illinois On the day after tomorrow

It is so hard and it's cold here And I'm tired of taking orders
 And I miss old Rockford town Up by the Wisconsin border
 What I miss, you won't believe Shovelling snow and raking leaves
 And my plane will touch down On the day after tomorrow

I close my eyes every night And I dream that I can hold you
 They fill us full of lies everyone buys bout what it means to be a
 soldier
 I still don't know how I'm supposed to feel
 Bout all the blood that's been spilled Will god on this throne
 Get me back home On the day after tomorrow

You can't deny, the other side Don't want to die anymore then we
 do
 What I'm trying to say is don't they pray To the same god that we
 do?
 And tell me how does god choose? Whose prayers does he
 refuse?
 Who turns the wheel? Who throws the dice? On the day after tomor-
 row

I am not fighting, for justice I am not fighting, for freedom
 I am fighting, for my life And another day in the world
 here
 I just do what I've been told We're just the gravel on the
 road
 And only the lucky ones come home On the day after tomorrow

And the summer, it too will fade
 And with it brings the winter's frost dear
 And I know we too are made Of all the things that we have lost
 here
 I'll be 21 today I been saving all my pay
 And my plane will touch down On the day after tomorrow (re-
 peat)

We won't adjust to injustice no more

Enough is enough. But still you want more.
You're trying divide us But we're stronger than before
You think that Black lives matter less than a Target store
We won't adjust to injustice no more

Enough is enough But your prayers they are not
Let's look in your portfolio See what we have got
It can only scratch the surface Of the real looting that endures
We won't adjust to injustice no more

Enough is enough You're not takin it anymore
You're not taking control Of our bodies or our souls
My body's not a battleground For your political war
We won't adjust to injustice no more

Enough is enough We're not takin it anymore
The power of the people Is stronger than your laws
Designed to keep you rich And othered people poor
We won't adjust to injustice no more

You can keep on adding more locks to your door

A7 A7 Dm
But we won't adjust to injustice no more

I Can't Breathe

Dm Am Dm
Starting a war, screaming, "Peace" at the same time
Am Dm
All the corruption, injustice, the same crimes
Am Gm
Always a problem if we do or don't fight
And we die, we don't have the same right

What is a gun to a man that surrenders?
What's it gonna take for someone to defend her?
If we all agree that we're equal as people
Then why can't we see what is evil?

(chorus)

Dm Am Dm Am Dm
I can't breathe You're taking my life from me
Am Gm Dm
I can't breathe Will anyone fight for me?

How do we cope when we don't love each other?
Where is the hope and the empathy?
How do we judge off the color?
The structure was made to make us the enemy (yeah)
Prayin' for change 'cause the pain makes you tender
All of the names you refuse to remember
Was somebody's brother, friend
Or a son to a mother that's crying, singing

(chorus)

(spoken) Trying times all the time
Destruction of minds, bodies, and human rights
Stripped of bloodlines, whipped and confined
This is the American pride It's justifying a genocide
Romanticizing the theft and bloodshed
That made America the land of the free
To take a black life, land of the free
To bring a gun to a peaceful fight for civil rights
You are desensitized to pulling triggers on innocent lives
Because that's how we got here in the first place
These wounds sink deeper than the bullet
Your entitled hands could ever reach
Generations and generations of pain, fear, and anxiety
Equality is walking without intuition
Saying the protector and the killer is wearing the same uniform
The revolution is not televised
Media perception is forced down the throats of closed minds
So it's lies in the headlines
And generations of supremacy
resulting in your ignorant, privileged eyes
We breathe the same and we bleed the same
But still, we don't see the same Be thankful we are God-fearing
Because we do not seek revenge We seek justice, we are past fear
We are fed up eating your shit
Because you think your so-called "Black friend"
Validates your wokeness and erases your racism
That kind of uncomfortable conversation
Is too hard for your trust-fund pockets to swallow
To swallow the strange fruit hanging from my family tree
Because of your audacity
To say all men are created equal in the eyes of God
But disparage a man based on the color of his skin
Do not say you do not see color When you see us, see us
We can't breathe

(chorus)

I Won't Back Down

Em D G Em D G
Well, I won't back down No I won't back down

C G Em D G

In a world that keeps on pushin' me around
But I'll stand my ground And I won't back down

D G A7 D G A7
And I'll dance to that I'll dance to that

The invisible hand is twisting the truth
In our minds and in the voting booth
lies disguised to conquer and divide
In each of our deepest truth is the power to unite
Why is it so hard to see the light when its shining in our eyes

 souls of the innocent Blood-drenched pavement
 Keep on movin' though the waters stay ragin'
 In this maze you can lose your way, your way
 It might drive you crazy but Don't let it faze you, no way, no way!

One day this all will change Treat people the same
 Stop with the violence, down with the hate
 One day we'll all be free and proud to be
 Under the same sun singin' songs of freedom like (repeat chorus)

There's one thing that a man needs to be truly free
This is the modern world and that one thing is money
But there are two things that a woman needs
Control over her own body

I pay my taxes like any working man
And I feel I've earned my right to choose
You don't get to play God, man, I do (repeat)

Each month a bill Each month a reckoning
And each seed that dies I cry and I bleed
So you can't tell me No you can't tell me

I am a soldier It's my blood that flows
I'd give my life So that this tree can grow
You don't know creation Like I know
So you can't tell me No you can't tell me
You can't tell me You can't tell me

C G
From the redwood forest to the gulfstream waters

This land was made for you and me

As I went walking I saw a sign there
And on the sign it said "No Trespassing."
But on the other side it didn't say nothing
That side was made for you and me.

In the shadow of the steeple I saw my people
By the relief office I seen my people
As they stood there hungry I stood there asking
Is this land made for you and me?

Nobody living can ever stop me
As I go walking that freedom highway
Nobody living can ever make me turn back
This land was made for you and me.

War

(chorus)
Am C C Am
War...huh...yeah What is it good for?
C
Absolutely nothing Uh ha haa ha
(3 times)

WAR! I despise 'cos it means destruction of innocent lives,
War means tears to thousands of mother's eyes,
When their sons gone to fight and lose their lives.

(chorus)

WAR! It ain't nothing but a heartbreaker,
War. Friend only to the undertaker.
Ohhh! War is an enemy to all mankind,
The thought of war blows my mind.
War has caused unrest within the younger generation
Induction then destruction...who wants to die? Ohhh

WAR! It ain't nothing but a heartbreaker,
War! It's got one friend that's the undertaker.
Ohhhh! War has shattered many a young man's dream,
Made him disabled, bitter and mean,
Life is much too short and precious to spend fighting wars these
days. War can't give life, it can only take it away!

War! It ain't nothing but a heartbreaker,
War. Friend only to the undertaker...woo
Peace lovin' understand then tell me,
Is there no place for them today?
They say we must fight to keep our freedom,
But Lord knows there's got to be a better way.

We cry out "say her name" we chant "love trumps hate"
And "we will not be erased" "It's we who decide our fate"
cause

(Chorus x2)

We are women who've endured violence and degradation
slavery, trafficking, and mutilation
rape and abuse, racist discrimination
Those who survived labor exploitation
Colonization and gentrification imprisonment, migration
and militarization
Homophobia and Transphobic aggression
Violence by police Reproductive oppression
But from the pain we will open eyes
Awaken hearts and awaken minds
And our demands we intensify Strategically we are organized
Together we can raise the vibration
Through art action and imagination
Respect, love and communication And love for our future
generation
Intersectional, inclusive we come Collective power is how this
is won
We keep rising like the fire of the sun
will rise like the sun will rise like the sun
One for a billion a billion for one (4 times and then over chorus)

Chorus x2

A way of life, a way of being
Ignite the fire, we are believing
As one

What Did You Learn in School Today

D A7
What did you learn in school today dear little boy of mine?
D A7 D
What did you learn in school today dear little boy of mine?

G D
I learned that Washington never told a lie.
G D
I learned that soldiers never die.
G D G D
I learned that everybody's free, And that's what the teacher said to me.
D A7 D
That's what I learned in school today That's what I learned in school

I learned that policemen are my friends
I learned that justice never ends.
I learned that murderers die for their crimes
Even if we make a mistake sometimes.

I learned that Government must be strong;
It's always right and never wrong;
Our leaders are the finest men
And we elect them again and again.

I learned that war is not so bad;
I learned about the great ones we have had;
We fought in Germany and in France
And someday I might get my chance.

Where Is the Love?

F C
What's wrong with the world, mama? People livin' like they ain't got no
mamas
Dm

I think the whole world's addicted to the drama
Bb (continue this chord pattern throughtout)
Only attracted to things that'll bring you trauma

Overseas, yeah, we tryna stop terrorism But we still got terrorists here livin'
In the USA, the big CIA The Bloods and The Crips and the KKK

But if you only have love for your own race
Then you only leave space to discriminate
And to discriminate only generates hate
And when you hate, then you're bound to get irate, yeah

Madness is what you demonstrate
And that's exactly how anger works and operates
Man, you gotta have love just to set it straight
Take control of your mind and meditate
Let your soul gravitate to the love, y'all, y'all

F C Dm
People killin', people dyin' Children hurt, hear them cryin'
Bb
Can you practice what you preach
F C
Or would you turn the other cheek? Father, Father, Father, help us
Dm Bb
Send some guidance from above People got me, got me questionin'
Where is the love (love) Where is the love? (The love)
Where is the love? (The love) Where is the love, the love, the love?

It just ain't the same, old ways have changed
New days are strange, is the world insane?
If love and peace are so strong
Why are there pieces of love that don't belong?

Nations droppin' bombs Chemical gasses fillin' lungs of little ones
With ongoin' sufferin' as the youth die young
So ask yourself, is the lovin' really gone?

So I could ask myself really what is goin' wrong

In this world that we livin' in people keep on givin' in
Makin' wrong decisions, only visions of them dividends
Not respectin' each other, deny thy brother
A war is goin' on but the reason's undercover

The truth is kept secret, it's swept under the rug
If you never know truth then you never know love
Where's the love, y'all, come on? (I don't know)
Where's the truth, y'all, come on? (I don't know)
Where's the love, y'all?

(chorus)

I feel the weight of the world on my shoulder
As I'm gettin' older, y'all, people gets colder
Most of us only care about money makin'
Selfishness got us followin' the wrong direction

Wrong information always shown by the media
Negative images is the main criteria
Infecting the young minds faster than bacteria
Kids wanna act like what they see in the cinema, yo'

Whatever happened to the values of humanity?
Whatever happened to the fairness and equality?
Instead of spreading love we're spreading animosity
Lack of understanding, leading us away from unity

That's the reason why sometimes I'm feelin' under
That's the reason why sometimes I'm feelin' down
There's no wonder why sometimes I'm feelin' under
Gotta keep my faith alive 'til love is found Now ask yourself

(chorus)

Sing with me y'all (one world, one world)
We only got (one world, one world) That's all we got (one world, one
world)
And something's wrong with it Something's wrong with it (yeah)
Something's wrong with the wo-wo-world We only got (one world, world)

Who's Gonna Break It?

(chorus)

Gm

Who's gonna break it? (We will!) The spell of the Us and Them
Who's gonna break it? (We will!) The spell of the Us and Them

(verse)

C

Hoping all our problems will be solved

Gm

Though some people may get hurt

C

Someday everybody will be involved

Gm

Even the ones that didn't wanna get in the dirt

(a capella)

Hey Senator give me your hand let me shake it I won't break it
(break what?) Hey senator gimme a home gimme heat now
Gimme something to eat (Give em a seat and they take your job)
Gimme lies gimme fent gimme reason to rob
Somebody's gonna lock me up
Cuz they don't like the way that I rock my butt
The reasons they give may be futile lies but they brutalize
D7 (drum rumble)
Everybody cry

(verse)

Hoping everybody's gonna see though some people may go blind
Someday everybody will be free but it won't be by law it'll be deep inside

(chorus)

Border man won't let you through What's a poor man gonna do
Businessman's got work for you Who's the criminal here?

Framing laws and aiming guns Keeps you down and on the run
How are you gonna feed your little ones Who's the criminal here?

When your skin is red or brown
or black and blue on white man's ground
And your skin is pierced with a thorny crown Who's the criminal
here

I know that fear can leave you blind To hopeful hearts and open mind
To make a crime out of being kind Who's the criminal here?

I can shut my eyes and walk away Shut my mouth nothing to stay
Should someone die in my dessert today Who's the criminal here?

Will Jesus Wash the Bloodstains From Your Hands?

D G D
 I saw a grey-haired mother crying softly in her door
 D E7 A7
 As she gazed upon the pathway where he'd return no more
 D G D
 Oh Lord, I'd love to hold my baby just once more
 A7 D
 And, Lord, I hope I never live to see another war

(chorus)D
 Will Jesus wash the bloodstains from your hands?

A7
 Will he welcome you in to that peaceful land?
 D G D
 Will he forgive the killings, the wars you have planned?
 D A7 D
 Will Jesus wash the bloodstains from your hands?

Well the bombs you've dropped, the guns you've shot
 all in the name of peace
 While the people beg for mercy, you gave them no relief
 There's blood on your hands, mister, you'll answer for one day
 And the tears you shed on that day won't wash your sins away

(chorus)
 Now you say we could survive a nuclear war
 And that you would use limits, you'd only go so far
 Well Hiroshima's horrors we'll never forget
 For bloodthirsty warriors never know when to quit

Now I can hold you, in my own two hands
 And I can comfort you with my own two hands
 But you got to use, use your own two hands
 Use your own, use your own two hands
 Use your own two hands
 And with our own two hands

You Will be Moved

You will be moved when the baby lets out his very first cry
You will be moved when you think of how hard he'll have 2 try

La da da da da See the video

You will be moved, and you will be when the baby makes all the grades
You will be moved, and you will be when they still don't hire him anyway
Moved by a system without one single guarantee
That an education is the answer and love will set us free

(chorus)

Oh, you will be moved when the rain comes, oh yes, you will be moved
When the streets overflow with angry souls, that's when you see the truth
When the pain that u've inflicted comes back on your door 2 roost
That's when you'll see the future (future), but you won't see you

(chorus)

You will be moved when the whip comes down
On the back of one of your own
You will be moved when you look 4 compassion
But you find you're all alone
Moved, and you will be When you are, that's when you'll know
That the bread you share is better than the blood
That your deeds have caused 2 flow

(chorus)

Hey, you will be moved when the rain comes, oh yes, you will be moved
When the streets all flow with angry souls, that's when you'll see the truth
When the pain that you've inflicted comes back on your door 2 roost
